
INDEX

PROCEEDINGS OF THE ROYAL SOCIETY OF MEDICINE, VOL. XXXVI, 1942-1943.

INDEX

VOL. XXXVI, 1942-3

Note.—In this volume two series of numbers are used for pagination, one being the sectional page number and the other the volume page number. The latter only is used in the Index

abdomen, actinomycosis (G. Wynn-Williams), 38
acute, diagnosis and treatment from the gynaecological point of view (*Discussion*), 530
acanthosis nigricans in patient with vitiligo (L. Forman), 611
acromegaly with adenoma of pituitary (I. Jackson), 356
actinomycosis, abdominal (G. Wynn-Williams), 38
Adams, A. W., carcinoma of right ureter, 203
hydronephrosis from past focal septic nephritis, 203
Adams, W. S., prevention of chronic otitis and deafness (*Disc.*), 129
Adamson, H. G. (*Disc.*), 572
Addison's disease treated with percorten (K. M. A. Perry), 356
Adler, A., solar dermatitis in adults, 284
adrenal tumours (F. L. Warren), 444
Ainsworth-Davis, J. C., non-specific epididymitis (*Disc.*), 325
Air arthrography of knee-joint (E. W. Somerville), 663
Airey, F. S., pyogenic granuloma of the chin associated with and dependent upon a dental alveolar abscess, 293
superficial basal-cell carcinoma, 293
Allen, H. W. (*Disc.*), 282
Schaumann's disease, 45
Allison, P. R., carcinoma of oesophagus treated by excision and reconstruction of ante-thoracic oesophagus, 341
neurological disorders of mechanism of swallowing (*Disc.*), 96
specimen of ante-thoracic oesophagus, 342
alopecia with scarring (C. H. Whittle), 611
amnesia in altered states of consciousness (A. Paterson), 573
anaemia in young women (R. H. Dobbs), 81
nutritional, in women and children (*Disc.*), 69
anaesthesia and analgesia in obstetrical practice (*Discussion*), 523
anaesthetic experiences, R.C.A.M.C., Dieppe raid casualties (B. C. Leech), 207
records (M. D. Nosworthy), 468
analgesia and anaesthesia in obstetrical practice (*Discussion*), 523
Anderson, H. J., xanthomatosis—probably familial, 179

Andrewes, C. H., immunity to viruses (*Disc.*), 482
thoughts on the origin of influenza epidemics, 1
aneurysm, arteriovenous (G. H. Macnab), 36
angioid streaks with pseudoxanthoma elasticum (R. E. Wright and W. Freudenthal), 290
ankle fractures (B. H. Burns), 330
anus, perianal space (E. T. C. Milligan), 365
arachnoiditis, chiasmal (A. J. B. Goldsmith), 163
Armytage, V. B. G., see Green-Armytage, V. B.
arthritis, spinal, and sciatica (A. S. B. Bankart), 329
arthrodesis, subtaloid (W. S. Creer), 333
arthrography of knee-joint (E. W. Somerville), 663
ascorbic acid, oxidation of hydrocarbons in presence of (F. L. Warren), 444
Ashton, N. H., a case of pregnancy complicated by convulsions due to cysticercosis cellulosa, 529
asthma, cardiac (J. T. Harold), 176
atrophy, idiopathic macular (F. Sherry-Dottridge), 620
Attenborough, V. M., detached retina, ?cause, 628
audiogram interpretation (E. P. Fowler, jr.), 391
azo compounds, metabolism (L. A. Elson), 442
2:2-azonaphthalene producing tumours of liver (J. W. Cook, C. L. Hewett, and E. L. and N. M. Kennaway), 442
back, painful, in soldiers and industrial workers (*Discussion*), 211
bacteria, immunity to (*Discussion*), 475
Badenoch, A. W., hernia (*Disc.*), 188
Baird, D., stillbirth and neonatal mortality (*Disc.*), 59
Bankart, A. S. B., spinal arthritis and sciatica, 329
Banks, C., control of tuberculosis (*Disc.*), 40
Bannister, F. B., Oxford vaporizer in routine hospital practice, 205
Barber, H. W. (*Disc.*), 45, 281, 288, 290
pseudopelade (Brocq) (*Disc.*), 282
two cases of generalized vaccinia (vac-ciniola), 43
(with P. B. Mumford), lichen ruber moniliformis, 286

- Barclay**, P., pneumatocele, or localized bul-
lous emphysema following pneu-
monia, 380
- Barnes**, J., thecoma of ovary, 364
(with W. J. Hamilton and G. H. Dodds),
phases of maturation, fertilization
and early development in man, 525
- Barrington**, F. J. F., Everidge, J., and Morson,
A. C., treatment of paralysed blad-
der (*Disc.*), 197
- Bateman**, G. H., "Ménière's" disease (*Disc.*),
550
- Bauwens**, P., physical methods in treatment
of skin diseases (*Disc.*), 427
- Beaumont**, W., physical methods in treatment
of skin diseases (*Disc.*), 424, 430
- Bickerton**, R. E. (*Disc.*), 410
- Bingham**, Lady (with H. M. M. Mackay *et al.*),
nutritional anaemia in children
and women (*Disc.*), 69
- Bintcliffe**, E. W., artificial pneumoperitoneum
demonstrating eversion of the
diaphragm, 177
- Black**, G. W. (*Disc.*), 163
control of ocular pain (*Disc.*), 410
- Blackwood**, W., immersion injuries and vaso-
motor disorders of limbs in wartime
(*Disc.*), 521
- bladder**, paralysed, treatment (*Discussion*),
197
- blood** as an index of health (L. Findlay), 75
pressure, high, see hypertension
new instrument for visual determination
(D. S. Evans and K. Mendelssohn;
F. B. Mallinson), 465
transfusion, hæmolytic reactions, ætiology
(P. L. Mollison), 221
revised principles (P. L. Mollison), 335
- Blunden**, R. (with A. C. Morson), ureteric
transplantation into the bowel and
total cystectomy for carcinoma of the
bladder, 204
- Bodenham**, D. C., problem of fractures with
associated burn injuries: principles
of treatment, 657
- bombing**, psychiatric effects (R. Fraser, I. M.
Leslie and D. Phelps), 119
- Bonne**, C., sections of 8 primary cancers of
liver in Chinese and Javanese, 441
- Bonney**, V., diagnosis and treatment of acute
abdomen from gynæcological point
of view (*Disc.*), 530
- Bonser**, G. M., tumours of bladder produced
by β -naphthylamine, 441
- Bosworth**, T. J., immunity to bacteria (*Disc.*),
475
- Bottomley**, J. (with L. C. Rivett), carcinoma
of cervix uteri, 361
- Bourne**, A. W., Hühner's test in investigation
of sterility, 111
- Brailsford**, J. F., painful back in soldiers and
industrial workers (*Disc.*), 214
- Brain**, R. T., case for diagnosis, ?epidermo-
lysis bullosa hereditaria, see Kindler,
T.
physical methods in treatment of skin
diseases (*Disc.*), 427
poikiloderma of face and neck, see Kind-
ler, T.
- Brain**, W. R. (*Disc.*), 357
acute encephalomyelitis (*Disc.*), 319
myasthenia gravis and thymectomy (*Disc.*),
143
- brain**, cortex, see cortex, cerebral.
surgery, vital staining in (A. Sorsby, A. D.
Wright and A. Elkeles), 137
tumour, calcified (S. P. Meadows), 36
- breast**, carcinoma, value of irradiation in
association with surgery (*Discussion*),
237
- breast-feeding**, decline of (*Discussion*), 382
- Brincker**, J. A. H., Scottish diphtheria im-
munization campaign (*Disc.*), 511
- Bristow**, W. R., painful feet (*Disc.*), 57
- Brody**, M. B., quality of mental test perform-
ance in intellectual deterioration
(*Disc.*), 249
- bronchial** anatomy (A. F. Foster-Carter), 451
- Brooks**, W. D. W., place of miniature radio-
graphy in diagnosis of diseases of the
chest (*Disc.*), 155
- Brown**, J. W., atypical pneumonia (*Disc.*), 385
- Brown**, Sir W. L., see Langdon-Brown, Sir
Walter
- Browning**, S. H. (for H. Ridley and Mr.
Williams), tuberculosis of conjunc-
tiva, 407
- Bulleid**, A., treatment of pulpless teeth
(*Disc.*), 182
- Bulwer**, John, the "Chirosopter" (H. J.
Norman), 589
- buphthalmos**, bilateral, with congenital anom-
alies of iris and subluxated lens
(V. B. Purvis), 627
- Burn**, J. L., Scottish diphtheria immunization
campaign (*Disc.*), 512
- Burns**, B. H., diastasis of the inferior tibio-
fibular joint, 330
- burns**, injuries, associated with fractures,
treatment (D. C. Bodenham), 657
- Burrows**, A., future of radiotherapy in der-
matology (*Disc.*), 570
- Burrows**, H., Clarkson, J. R., and Mayneord,
W. V., X-ray tumours in rabbits, 441
- Iball**, J., and Roe, E. M. F., electrical
changes in wounds and inflamed
tissues, 441
- Cade**, S., value of irradiation in association
with surgery in treatment of car-
cinoma of breast (*Disc.*), 237
- Cæsarean** operation, lower segment, present
position of (*Discussion*), 525
- Cambridge** medical history: II, Francis
Glisson and the insurgent century
(Sir Walter Langdon-Brown), 17
- Campbell**, J., dentistry in relation to state
medicine and post-war planning
(*Disc.*), 317
- Campbell**, J. M., sulphapyridine anuria, 204
- Cameron**, J. L., lower segment Cæsarean
operation (*Disc.*), 528
- cancer** mortality graphs (E. L. and N. M.
Kennaway), 443
- carcinogenic** factor in liver (I. Hieger), 442
- carcinoma**, superficial basal-cell (F. S. Airey),
293
- cardiac** sphincter, achalasia of (Sir Arthur F.
Hurst), 94
- cardiospasm** with attacks of cardiac asthma
(J. T. Harold), 176
- Carleton**, A. B., case for diagnosis, ?annular
tuberculide, ?cutaneous silicosis, 288
persistent intertrigo, ?diagnosis, 46
- Carson**, J., myasthenia gravis and thymec-
tomy (*Disc.*), 140
- Carter**, A. F. F., see Foster-Carter, A. F.
- Cashell**, G. W., intraocular neoplasm, 162
- cathode-ray** oscilloscope, double-beam, adap-
tation to biology and medicine (G. E.
Donovan), 603
- Catterall**, R. C. F., carcinomatous swelling of
the mandible, 342

- Cautley, D. R. L.**, ulcerative gingivo-stomatitis (trench mouth) (*Disc.*), 440
- Cawthorne, T. E.**, hearing aids (*Disc.*), 400
some recent work on the investigation and treatment of "Ménière's" disease: II, treatment, 541
- cerebral cortex**, see *cortex, cerebral*.
- diplegia**, pathology (R. M. Stewart), 25
- hemisphere lesions**, contrast media in (E. A. Kahn), 403
- cervix uteri**, carcinoma, with tuberculosis of pelvic lymphatic glands (L. C. Rivett and J. Bottomley), 361
- Chaiken, L. R.**, spontaneous rupture of the bladder, 204
- Champneys, Sir W. D.**, see *Dalrymple-Champneys, Sir Weldon*
- chest diseases**, diagnosis, place of miniature radiograph in (*Discussion*), 155
radiographs, clinician's viewpoint (G. S. Todd), 565
- chiasmal arachnoiditis** (A. J. B. Goldsmith), 163
- "Chirosopher," The**, John Bulwer (H. J. Norman), 589
- chorioretinitis** associated with toxoplasma (D. Vail), 629
- Clarke, T. A.**, observations on the caloric tests of vestibular function, 546
- Clarkson, J. R.** (with H. Burrows and W. V. Mayneord), X-ray tumours in rabbits, 441
- Claye, A. M.**, anaesthesia and analgesia in obstetrical practice (*Disc.*), 523
lower segment Caesarean operation (*Disc.*), 528
- cleft palate**, intra-oral prosthesis (J. W. Mansie), 483
- coeliac disease**, review of cases (E. K. Peck), 379
- Cole, P. P.**, hernia (*Film*), 189
- colon and rectum**, functional diseases (*Discussion*), 639
dilatation—Hirschsprung's disease (M. Hawksley), 586
- conjunctiva**, tuberculosis (S. H. Browning), 407
- contractures** of fingers and toes after war wounds (C. M. Squire), 665
- contrast media** for cerebral lesions (E. A. Kahn), 403
- Cook, J. W.**, Hewett, C. L., Kennaway, E. L. and N. M., tumours of liver produced by 2:2'-azobaphthalene and 2:2' diamino-1:1'-dinaphthyl, 442
- Cooke, A. M.**, peritoneoscopy, 448
- Cooke, W. E.**, functional diseases of colon and rectum (*Disc.*), 645
- Cope, V. Z.**, diagnosis and treatment of acute abdomen from gynaecological point of view (*Disc.*), 531
- Corbett, R. S.**, ?second primary carcinoma of the gastro-intestinal tract, 342
tuberculous tenosynovitis of the hand, 342
- cortex, cerebral**, angioma (T. L. Hilliard), 37 (S. P. Meadows), 36
- Craigie, H. B.**, functional nervous states in relation to service in the armed forces (*Disc.*), 259
- Creer, W. S.**, modified subtaloid arthrodesis, 333
- Crisp, E. J.**, the mechanism of valgus foot strain, 606
painful feet (*Disc.*), 51
physical methods in treatment of skin diseases (*Disc.*), 430
- Crooks, J.**, prevention of chronic otitis and deafness (*Disc.*), 133
- Crosse, V. M.**, decline of breast-feeding (*Disc.*), 382
- Cruickshank, R.**, immunity to tuberculosis (*Disc.*), 475
- crying in utero** (B. Field), 363
(D. B. Fraser), 363
- Curran, D.**, functional nervous states in relation to service in the armed forces (*Disc.*), 254
- cutis laxa** (J. E. M. Wigley), 294
- cysticercosis** complicating pregnancy (N. H. Ashton), 529
- cystotomy**, suprapubic (J. D. Ferguson), 337
- Dalrymple-Champneys, Sir Weldon**, immunity to bacteria (*Disc.*), 478
- Darling, A. I.**, the distribution of the enamel cuticle and its significance, 499
- Davidson, A.**, smallpox in Scotland in 1942 (*Disc.*), 236
- Davidson, J. M.**, effect of wartime conditions on health of factory worker (*Disc.*), 275
- Davidson, L. S. P.**, nutritional iron deficiency anaemia in wartime, 83
- Davis, E. D. D.**, neurological disorders of mechanism of swallowing (*Disc.*), 96
- Davis, J. C. A.**, see *Ainsworth-Davis, J. C.*
- Davis, L.**, experimental studies upon peripheral nerve lesions, 406
- deafness** and chronic otitis media, prevention (*Discussion*), 129
- dental cements**, pulp reactions (E. B. Manley), 488
enamel, cuticle distribution (A. I. Darling), 499
- dentistry** in relation to state medicine and post-war planning (*Discussion*), 309
- dermatitis artefacta** (R. Klaber), 45
(A. M. Stuart), 296
in munition factories (C. Swanston), 633
industrial, prevention (S. G. Horner), 633
solar, in adults (A. Adler), 284
- dermatology**, radiotherapy in, future of (*Discussion*), 568
- dermatolysis** (J. E. M. Wigley), 294
- diabetes insipidus** (W. G. Wyllie), 581
- 2:2'-diamino-1:1'-dinaphthyl** producing tumours of liver (J. W. Cook, C. L. Hewett, E. L. and N. M. Kennaway), 442
- Dickson, E. D. D.**, suggested new hearing test, 398
- Dieppe** raid casualties, R.C.A.M.C. anaesthetic experiences (B. C. Leech), 207
- 9:10-dimethylanthracene** producing tumours (F. L. Warren), 444
- diphtheria** immunization, Scottish campaign of 1941-42 (Sir A. Russell), 503
- diplegia**, cerebral, pathology of (R. M. Stewart), 25
- disproportion**, radiological diagnosis (*Discussion*), 359
- Dobbie, J. N.**, prevention of chronic otitis and deafness (*Disc.*), 136
- Dobbs, R. H.**, anaemia in young women, 81
water metabolism in infants (*Disc.*), 221
(with H. M. M. Mackay *et al.*), nutritional anaemia in children and women (*Disc.*), 69
- Dodd, H.**, varicose veins (*Disc.*), 191

- Dodds**, G. H. (with W. J. Hamilton and J. Barnes), phases of maturation, fertilization and early development in man, 525
- Doggart**, J. H. (*Disc.*), 627
- Donaldson**, M. (*Disc.*), 532
- Donovan**, G. E., some observations on the adaptation of the double-beam cathode-ray oscilloscope to biology and medicine, 603
- Donovan**, H., colon showing injury in fatal case of acute mercurial poisoning due to absorption of oxycyanide of mercury from urinary tract during perurethral resection of prostate, 203
- Dottridge**, F. S., see Sherry-Dottridge, F.
- Dowling**, G. B., periarteritis nodosa (shown by Evan Jones), 287
- Downie**, A. W., bacterial vaccines and toxoids (*Disc.*), 149
prophylaxis of pertussis, 272
- Doyle**, T. M., crystal violet vaccine against swine fever, 482
- Doynes**, P. G., progressive partial thrombosis of central retinal vein, see Trevor-Roper, P. D.
- Duckworth**, G. (*Disc.*), 294
elephantiasis of the ears in a non-boxer, 283
?Fox-Fordyce disease, 292
?telangiectatic lupus erythematosus, 46
- ductus arteriosus**, patent, complicated by subacute bacterial endarteritis (O. S. Tubbs), 175
- dyserasia**, metaphyseal (E. Lund), 381
- dysphagia** (Sir Arthur F. Hurst), 93
- Eales' disease** (F. A. Juler), 11
- ear**, elephantiasis (G. Duckworth), 283
influence of vitamins and hormones on physiology and pathology (*Discussion*), 621
- Edwards**, F. R., a form of bovine serum suitable for a plasma substitute in the treatment of shock, 337
- Edwards**, H., hernia (*Disc.*), 186
- Elam**, J. E., anaesthesia and analgesia in obstetrical practice (*Disc.*), 523
- electromyography** in clinical medicine (G. Weddell), 513
- elephantiasis** of ears in a non-boxer (G. Duckworth), 283
- Elkeles**, A., vital staining in brain surgery, 139
- elliptocytosis** associated with hereditary telangiectasia (J. M. Lipscomb), 357
- Ellman**, P., atypical pneumonia (*Disc.*), 389
- Elson**, L. A., metabolism of azo compounds, 442
- emphysema**, localized bullous, following pneumonia (P. Barclay), 380
- enamel**, cuticle distribution (A. I. Darling), 499
- encephalitis**, vaccinal (P. McKenzie), 235
- encephalomyelitis**, acute, and allied conditions, recent experiences (*Discussion*), 319
- endarteritis**, arteriosclerotic, sympathectomy in (H. R. Ives), 339
subacute bacterial, complicating patent ductus arteriosus (O. S. Tubbs), 175
- epidermolysis** bullosa hereditaria (T. Kinder), 292
- epididymitis**, non-specific (*Discussion*), 323
- erythema** gyratum perstans (R. Klaber), 45
nodosum, aetiology (P. Kerley), 566
- erythroblastosis** foetalis, aetiology (P. L. Mollison), 221
- erythroderma**, exfoliative (J. E. M. Wigley), 614
"leukæmic" (C. H. Whittle and P. Hughes-Jones), 612
- ether** anaesthesia, Oxford vaporizer for (F. B. Bannister), 205
- Evans**, D. S., and Mendelssohn, K., a new instrument for visual determination of blood-pressure; part 1, physical considerations, 465
- Evans**, G., functional diseases of colon and rectum (*Disc.*), 643
- Evans**, H., relationship of hypertension to renal disease (*Disc.*), 562
- Everidge**, J. (with F. J. F. Barrington and A. C. Morson), treatment of paralysed bladder (*Disc.*), 197
- exercises**, self-activated, apparatus for, in rehabilitation (O. F. G. Smith), 610
- exophthalmos** associated with myxoedema (K. M. A. Perry), 356
thyrototoxic and thyrotrophic distinguished (J. H. Mulvany), 443
- explosives**, irritant, effect on skin (C. Swanton), 633
- eye**, painful (C. B. Goulden), 408
recurring juvenile vitreous hæmorrhage (F. A. Juler), 11
tumour (G. W. Cashell), 162
- Eysenck**, H. J., suggestibility and hypnosis—an experimental analysis, 349
- face**, circinate linear eruption (A. C. Roxburgh), 289
- facial** restorations, symposium (J. W. Mansie; E. Matthews; H. Round), 483
- factory** worker, health of, effect of wartime conditions on (*Discussion*), 275
- Fairlie**, W. M., functional nervous states in relation to service in the armed forces (*Disc.*), 259
- feet**, painful (*Discussion*), 47
- Ferguson**, J. D., some aspects of suprapubic cystotomy, 337
- fevers**, acute specific, prophylaxis of (*Discussion*), 271
- Field**, B., crying in utero, 363
- Field**, C. E., cystic conditions in the lung, 584
- Findlay**, L., the blood as an index of health, 75
- fingers**, contractures after war wounds (C. M. Squire), 665
- Finzi**, N. S., future of radiotherapy in dermatology (*Disc.*), 569, 572
technique of radiotherapy (*Disc.*), 269
- Fish**, E. W., dentistry in relation to state medicine and post-war planning (*Disc.*), 315
- Fleming**, A., active immunity (*Disc.*), 145
- folliculitis** decalvans (L. Forman), 295
- foot** strain, valgus, mechanism (E. J. Crisp), 606
- forces**, armed, functional nervous states in relation to service in (*Discussion*), 253
- Forman**, L. (*Disc.*), 298, 611, 616
acanthosis nigricans with discrete warts and marked mucous membrane changes in a patient with vitiligo, 611
folliculitis decalvans (de Quinquad), 295
urticaria pigmentosa in an adult (telangiectasia macularis eruptiva perstans, Barber and Parkes Weber type), 291
urticaria pigmentosa with unusual atrophy in an adult, 291
